- **Website:** amura.ai

Role Overview:

As a **Junior Health Coach** at Amura Health, you will engage with clients to understand their health needs, provide expert guidance, and offer support to help them achieve their wellness goals. Your role will involve:

- Building and maintaining personalized client relationships.
- Offering tailored health advice and motivational support.
- Educating clients on health management strategies and wellness practices.
- Tracking progress and managing health crises effectively.

Candidate Requirements:

- **Education:** B.Pharm/M.Pharm
 - **Experience:** Freshers are welcome; prior experience in health coaching is a plus.
 - **Languages:** Fluency in English is essential.
 - **Skills:** Strong interpersonal skills, empathy, patience, and a passion for health and wellness.
- We believe your students, with their strong academic backgrounds and fresh perspectives, would be an excellent fit for this role.

To support their professional growth and provide valuable career opportunities, we propose the following:

- **Employment Type:** This is a full-time role. For the 2025 batch, it can also be an internship, with conversion to full-time based on performance.
- **Extended Reach:** Please share this opportunity with your alumni network, especially recent graduates from the last academic year.

Feel free to reach out to us with any questions/concerns.
