1. A research paper will be presented and analysed by the student for journal club presentation.

The students will submit three research papers of their choice aligned with their research topic in the google form shared by their corresponding class co-ordinators.

The criteria for choosing the **Research Papers** are

- Aligned to student's research topic
- Research article. Review articles are not allowed
- Should be published within last five years

The selected topic will be intimated by the class co-ordinator via email.

2. The students will present their project progress till date under the discussion/ final presentation.
